

WELCOME FROM THE PRESIDENT

Dear Colleagues,

itts my great pleasure to invite you to partecipate in the proceedings of 11TH International Conference on Thoracic Oncology (CIOT) that, in its annual recurrence, takes place in Rome, from June 22ND to June 23RD 2023 organized by AIOT (Italian Association of Thoracic Oncology) and that I have the honour to chair.

I would like to call your attention to at least three interesting aspects of the Conference.

90% of Faculty is composed of foreign speakers, everybody playing an active part in clinical research in Thoracic Oncology and KOL in their respective Countries. We expect significant foreign attendees. The official language of the Conference is English.

Located in a wonderful position, in the heart of Rome, the conference venue offers to the city a meeting point of extraordinary importance. Its natural elegance and flexibility make it the ideal location for congresses, meetings and events of any kind. The location is in the heart of history and Rome shopping district.

GOALS

Setted immediately after ASCO, the Conference gives an update on the data coming from Clinical Research in Thoracic Oncology directly from the voice of its Authors more representative in an appointment that we would like to be lasting inside of the international congressional track.

For these reasons In trusting that you should appreciate the effort of the organizing secretariat to realize this scientific meeting doing credit to us with your attendance in Rome.

Arrivederci

President of 11TH CIOT

Filippo de Marinis

Lilyot Maii 6
